WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

**STATEMENTS ESTABLISHING UNINTENTIONAL DELAY
IN CONJUNCTION WITH
PETITION TO REVIVE UNINTENTIONAL ABANDONMENT**

Sir:

Under the authority of 37 C.F.R. §1.137(b), Applicants respectfully petition the U.S. Patent and Trademark Office (PTO) to revive unintentionally abandonment of the above-captioned application.

Applicants timely responded to the outstanding Office Action mailed on October 20, 2005 by electronically filing a Responsive Amendment with a Petition for three-month Extension of Time on April 20, 2006. Copies of the complete filing, including the Amendment, Electronic Acknowledgement Receipt and Electronic Patent Application Fee Transmittal, are enclosed for your convenience.

In conjunction with filing the response, Applicant intended to file a Request for Continued Examination (RCE). Due to an inadvertent clerical error, the RCE was not submitted along with the Responsive Amendment and Extension of Time filed on April 20, 2006. Applicants became aware of the failure to file the RCE on Friday, April 21, 2006. Applicants have immediately prepared and file this Petition, including the RCE and required fees.

Petition to Revive Unintentional Abandonment
Application No. 10/667,330

Therefore, Applicants state that the entire delay period between the due date and this Petition was unintentional.

Applicants believe the fee required for this Petition is \$1,500.00 and authorize the PTO to charge Deposit Account No. 50-0206. However, if Applicants' belief is incorrect, the PTO is authorized to credit or charge such variance to the undersigned's PTO Deposit Account No. 50-0206.

Respectfully submitted,
HUNTON & WILLIAMS LLP
